WSU Extension on day of class
Scholarships available, **no one will be turned away**

What to bring? – Please **bring your own sack lunch.**

What grows well in Skamania County? Mushrooms do! Come learn about techniques for growing mushrooms in your backyard or woodlot. Experts from Washington State University and Fungi Perfecti, LLC will show you how to grow and conserve different mushrooms suited to our climate. We will have hands-on demonstrations of inoculating logs. Take your own mushroom ready logs home (included in class fee)!
