Pest Workshop & Listening Session

Spotted Wing Drosophila & Brown Marmorated Stink Bug

Morning Session: Commercial Growers • Afternoon Session: Gardeners and Small Farmers

(Photo B. Gerdeman – Washington State University)

WHAT: Spotted Wing Drosophila and Brown Marmorated Stink Bug Workshop & Listening Session – Come learn about the Spotted Wing Drosophila and speak with Dr. Lynell Tanigoshi and his research team from Mount Vernon Northwestern Washington Research and Extension Center. Drs. Tanigoshi, Gerdeman, and Spitler will provide updates on Spotted Wing Drosophila biology, phenology and management. Todd Murray, WSU Skamania County Extension, will discuss the emerging issue of the Brown Marmorated Stink Bug in Southwest Washington.

WHEN: Tuesday June 14th, 2011

MORNING SESSION for Commercial Growers

10am to noon (2 WSDA recert credits have been applied for)

AFTERNOON SESSION for Home Gardeners and Small Farmers

1pm to 3pm

Two sessions will be provided:

- Morning session (10am to noon) is targeted to commercial growers and will emphasize conventional management techniques.
- Afternoon session (1pm to 3pm) is targeted to gardeners and small farmers and will emphasize identification, organic management techniques, and monitoring methods.

WHERE: WSU Clark County Extension at the Heritage Farm
